

WE AIM FOR 100% ATTENDANCE!

We want to provide your children with the best education possible but can only do this if they are in school.

WHY IS EXCELLENT ATTENDANCE SO IMPORTANT?

Evidence tells us that students with the best attendance make better progress and get better results than those with poor attendance.

DO YOU KNOW WHAT YOUR CHILD'S ATTENDANCE IS?

School has a responsibility to let you know if your child's attendance is below an acceptable level or is at risk of falling below 95%. Any child with an attendance level below 90% is classed as a "persistent absentee" and will be put on an Attendance Support Plan.

Attendance is also reported for all children on school report and parents evening documents.

You can also access your child's attendance at any time on Weduc.

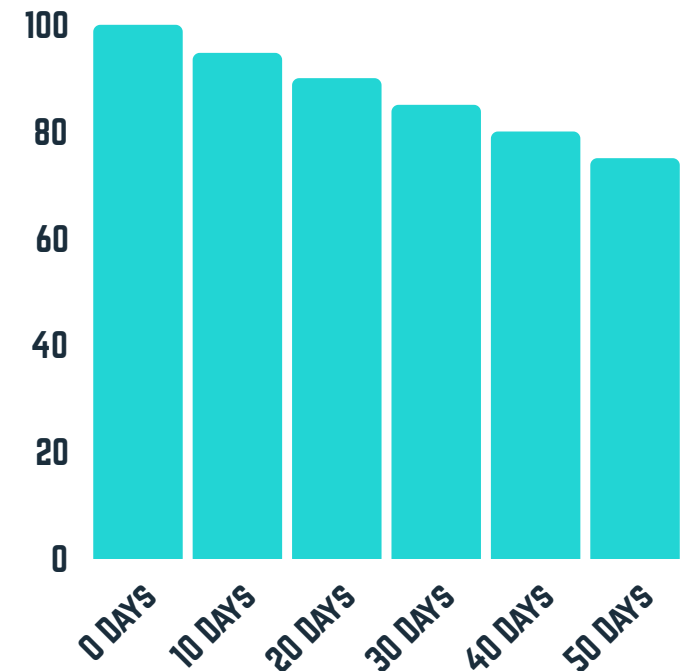

HOW CAN I HELP MY CHILD?

- Only keep your child at home if they are really too sick for school.
- Always phone school if your child is going to be absent. You must call for everyday of absence.
- Medical appointments should be made outside of school hours.
- Please DO NOT take your child out of school for holidays or family visits. They will not be authorised and you could receive a fine.
- Be organised to arrive on time. Set routines that the children can help with.
- If you need any help regarding attendance or punctuality please ask.

MY CHILD'S ATTENDANCE IS 90%. THAT'S GOOD ISN'T IT?

If your child has 90% attendance rate across the school year that means:

- **Half day missed a week or**
- **4 whole weeks of lessons in a year!**

BE ON TIME - 8.50AM

Our school day starts as soon as the children enter the classroom. A child arriving just 20 minutes late is not only disrupting the learning of other children, but is also missing out.

- 10 minutes a day
- 50 minutes a week
- 1,950 minutes a year
- **5 missed school days a year**

Please help your child to arrive in school ready to come in with their class at 8.50am. It is important for all children to be part of school routines and it helps them to start the day ready to learn.
