Message from Mrs Beston

We are having some busy weeks at the moment. This week saw us participate in anti-bullying week, it was great to see so many odd socks on Monday morning. I think even spotted a few parents with odd socks. Today we celebrated Child in need day - what a lot of spots. It was spotacular!

Outdoor Learning

It may be getting colder but we still believe outdoor learning is important. Teachers continue to plan activities that can be completed inside and outside. Please make sure your child has always got a coat with them.

We had to find an object that was the coloured called out in French.

Reading is high focus at Perry Wood

Wow!!! We have updated our amazing library with one hundred more books! We applied for the Lit in Colour primary giveaway and are delighted to have been chosen to receive 100 books by authors of colour. We are extremely grateful for the chance to continue to widen the opportunities for our children to read and experience books from diverse backgrounds. Thank you Penguin UK Books and Twinkl Resources for this exciting delivery. We can't wait to get reading!

Thank you to Year 6 parents

Year 6 had a brilliant afternoon with their families today, practising their sewing skills in preparation for their DT project where they are designing and making Anglo Saxon money carriers. Thank you to all the families who joined us... your extra pairs of hands were much appreciated
