Supporting our School

As you may be aware we are in the Tesco Token reward scheme. We have many children sending me Photographs of them supporting us with their Tokens. We are hoping to use whatever money we receive from this to buy much needed resources for our Breakfast club and subsequently our after school club. We want to provide children with high quality games to keep them occupied while they are in our wrap around care.

If you shop in Tesco we would be really grateful if you could support us.

World Mental Health Day

This week we saw the school participating in World Mental Health day. We see Mental Health as a really important aspect of our school curriculum, ensuring we work with both parents and children to further support all children.

Teachers planned a range of activities to support children in their mental health over the day. However, I will emphasize that these kind of activities are happening regularly across the school instigated by our Thrive provision. Children receive class thrive and some children receive 1 to 1 Thrive at key points of their educational journey.

If you would like more information regarding Thrive then please contact Mrs Beston who is very happy to show you our Thrive provision and discuss the benefits of it for everyone.

Parent Survey

Many thanks to everyone who filled in our Parent survey. This has given the school a real insight in to what you feel is working well and what you would like us to improve.

I will be producing a document with the results and answer some of the questions or comments that were made. Please watch out for the full report. I have included some of the lovely comments made about the school in this newsletter.

*95% of you said you
would recommend
Perry Wood to
another Family*

You said;

- Impressed with the communication from teachers when needed.
- My granddaughter is thriving
- Amazing school and the staff are so helpful, understanding and very supportive thank you everyone
