WEEKLY UPDATE

It has been a busy week at Perry Wood. The learning has been amazing. We have had the History man in year 4, a theatre company starting a 10 week project in Year 5 and Reception and Year 1 started their Pirate theme.

Year 6 and Year 2 children are working really hard towards their SATs. It is really important that the children are in school everyday to ensure they have all the skills they need.

DID I CATCH YOU DOING SOMETHING AMAZING?

This week I have been popping in to the classrooms and seeing who is working really hard or who is presenting their work amazingly. These children who I am spotting have been awarded some reward cards so watch out for your child bringing it home. I have been really impressed with the work the children are completing

DATES TO REMEMBER

Next week

Tuesday; Irish dance workshops for all year groups

Wednesday; Year 5 Booming voice project

Thursday; Year 4 trip to Nunnery High school

Friday; Year 3 trip to Botanical gardens

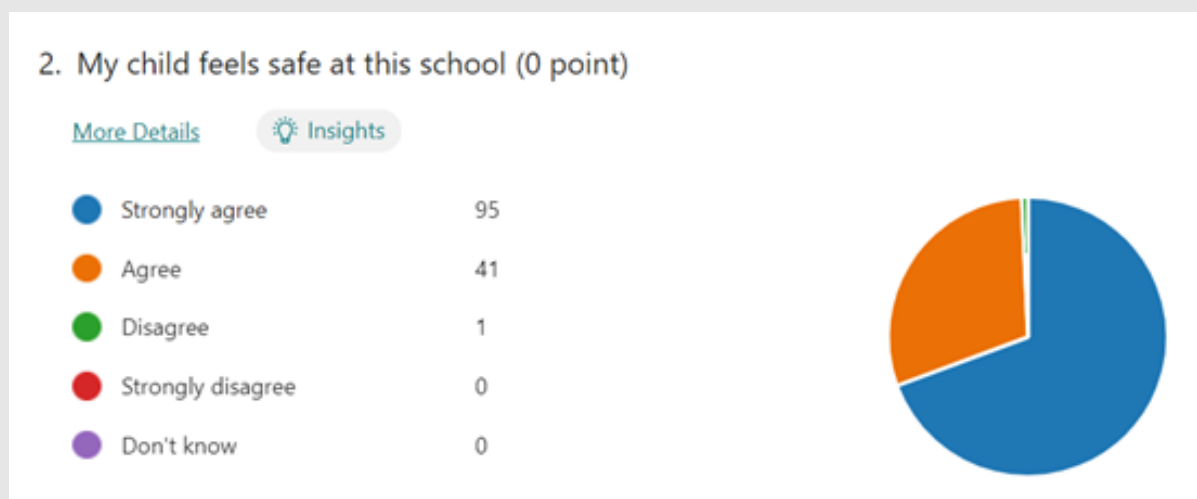

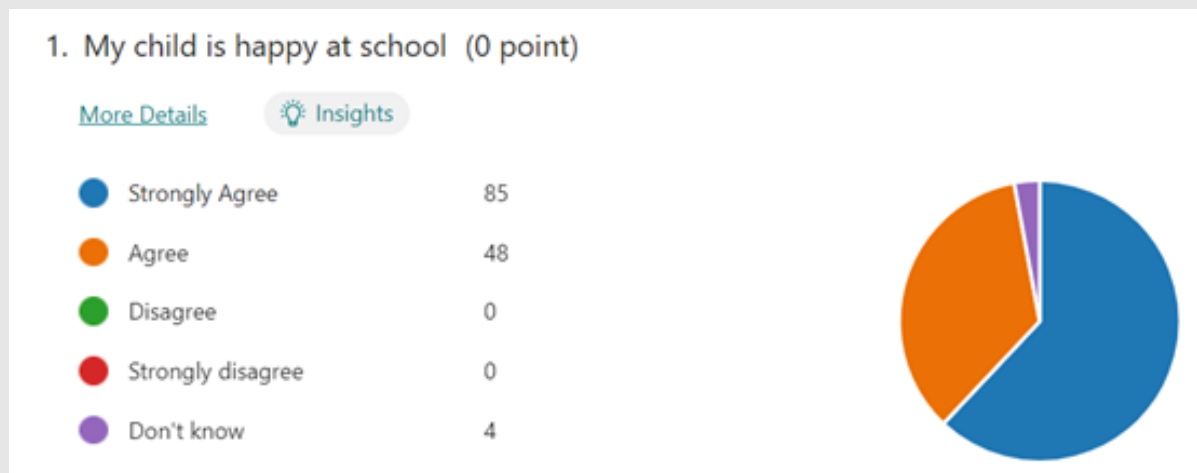

LOOK WHAT HAPPENED THIS WEEK!

This week the children in Reception and Year 1 started learning about Pirates, Year 3 were looking at Rain forests, Year 4 had a Viking day, Year 5 started a Boom project and became Historians looking at the Mayans. We had a group of children taking part in an inclusive sports tournament and came 3rd. Well done to them. We had our 1st reading reward party for children getting 100% on their quizzes. Well done to them.

NEWSLETTER

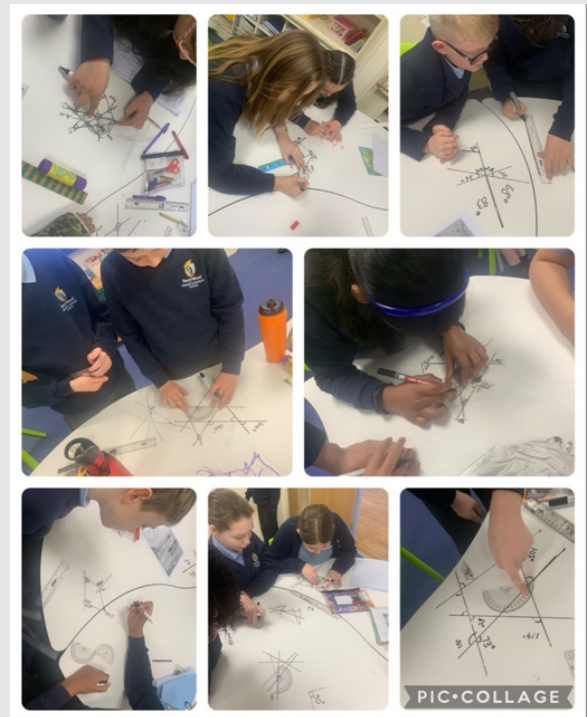

Parent survey results; each week I will share some elements of the survey and what we intend to do. We had 137 families give us feedback which was amazing.

We will do the following things;

- Pupil voice to see what makes children happy in school and what might make them feel unhappy
 - Pupil voice on what makes them feel safe/unsafe, where they feel safe/unsafe, who helps them feel safe/unsafe.

Year 1 Focus

This week Year 1 have been completing pirate challenges from the book “How to be a pirate in 7 days or less!”. These challenges included collaging their own pirate flag, following instructions to make a telescope, exploring the pirate ship and using and creating their own treasure map to find treasure. To celebrate all of the children completing their challenges we had a pirate ceremony and pirate tea party.
