

Newsletter – 28th April

Message from Mrs Beston

What a busy week we have had at Perry Wood. I hope you are looking forward to bank holiday weekend and the weather is kind to us.

Thank you for your co-operation with using our new gates, I think they really look lovely and have improved our safety within school especially with our Reading Village at the front of the school.

We have had a few trips this week and some sporting events. Well done to any child who has represented our school.

We will be having a sign installed soon to our reading village so watch out for that. The KS1 trim trail is on track to be installed at the start of June so that won't be long now. The children are very excited.

Good news – I have had authorisation and funding from the trust to widen the path outside Year 1 – this probably won't happen until the summer holiday though but at least it is a step forward

Kestrels were invited to see a performance of the Addams family by the students of Nunnery Wood High School. We had a fantastic morning and thoroughly enjoyed the show.

Upcoming dates

Next week

1st May – Bank holiday Monday No school

No clubs this week.

2nd May – Teacher Strike day all classes in except Nursery.

2nd May – Community garden day in the Nest (help if you can).

3rd May – group of children attending anti-bullying training.

3rd and 5th May – Coronation shop

5th May – Special lunch

5th May Coronation picnic/fun afternoon 2pm to 3pm (no child to leave before 3pm)

Week beginning the 8th May

8th May – Bank holiday – No school

NO clubs this week

Year 6 SATs week – Breakfast for these children each morning. Make sure all year 6 are in school as this week is very important.

Important information

Pupil Safety

We have a few aspects of pupil safety we would like your help with.

1. Dropping children off at school, please do not stop and drop children on the yellow zigzag lines, this is causing many traffic issues and is not safe for children crossing in those areas.
 2. General parking is causing obstructions in St Albans close as usual, before school, after school and also after clubs times. Please park responsibly and safely.
 3. Please do not walk through the new main gate if it has opened to let cars in or out this is a serious danger and I wouldn't want anyone to get injured..
 4. Please remind your children what to do if they are walking to school on their own and come across a stranger. Sometimes children are spoken to by strangers that are innocent but it is always sensible to report it.
-

IN ENGINEERING CLUB, WE
CREATED OUR VERY OWN
FOOSBALL TABLES USING SHOE
BOXES, STRAWS, PEGS AND
MARBLES! WE REALLY ENJOYED
PLAYING WITH THEM AFTERWARDS
AS WELL.
