

Pupil Premium 2014-15

This document sets out the expenditure of the annual Pupil Premium received at Perry Wood Primary and Nursery School.

1. Principles

Pupil Premium is allocated to schools based on the number of children who are currently known to be eligible for Free School Meals, whose parents serve in the Armed Forces and children who have been looked after in local authority care continuously for more than six months.

The purpose of the Pupil Premium is to help schools to provide targeted support for vulnerable children- not necessarily just children who qualify for FSM.

“It is for schools to decide how the Pupil Premium, allocated to schools.... is spent, since they are best placed to assess what additional provision should be made for the individual pupils within their responsibility.” (Source – DfE website)

The funding is therefore given to schools to spend as they think best, although there is a requirement to publish online how this money is spent.

2. Annual Allocation of Funding

In the 2014 to 2015 financial year, schools will receive £1300 for each eligible primary-aged pupil.

Financial Year	Amount of Pupil Premium Funding	Amount Of Children
2011-2012	<i>£488 per child</i>	No data available
2012-2013	<i>£600 per child</i> £87,000	145
2013-2014	<i>£953 per child</i> £135, 326	142
2014-2015	<i>£1300 per child</i> £193, 700 estimated	149

3. Leadership and Management

The Head Teacher oversees the organisation of all additional provision, working closely with the senior leader team, to track the progress of pupil premium children and evaluate the impact of all provision. They also report termly to governors. Governors will create a task group for pupil premium children to monitor the provision and its impact. Closing the Gap for Pupil premium children continues to be a key focus of the School Improvement Plan, with actions identified and tracked across all subject areas by SLT. All leaders within the school are specifically involved in the raising of attainment for Pupil Premium children.
